

Volunteer Opportunity

snow shoveling service for your neighbors

The City of Newton is preparing a list of STUDENTS (or adults) willing to *volunteer* snow shoveling services for your local senior/disabled residents. Can YOU please help out? Please know how very much we would appreciate your help to keep Newton's sidewalks safe for walking this winter. As the law now requires that homeowners remove snow from their properties, your assistance to your neighbors who are unable to remove the snow themselves, will help keep them in compliance with the law. Thank you very much for your generous offer to help.

Students/participants should be aware
